## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. The following is an examiner's statement of reasons for allowance:

Claims 1, 16 and 29 are allowed. The prior art discloses a crossconnect switching space method and apparatus with ingress, center and egress switch devices, with connections to and from each switch device for transfer of data packets through the switch modules as appropriate.

The prior art however fails to disclose or suggest logically modeling the switch element and mapping a multi-stage logical model that represents the components of the switch element in multiple stages, comprising an input sorter, an input router a center stage device, an output router and an output sorter to the switch element.

### ***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Raj Jain whose telephone number is 571-272-3145. The examiner can normally be reached on M-F.
